# Moss Wood / Australia Post rates

Please note: Given the value and scarcity of Moss Wood wines and the fact we will always do our level best to replace wine that goes astray during the delivery process ***we will not authorise any delivery to be left unattended.***

Wine that cannot be signed for will be carded by Australia Post for delivery at the post office noted on the card.

We suggest an alternative might be that the order be delivered to a business address that is attended during business hours.
